BACKGROUND:

As we approach the season of giving and showing gratitude, it is important to recognize those in our local communities who give their time and energy to assist and provide opportunities for others. Among the many groups who give to their community, two are recognized today for their efforts.

The El Cajon Salvation Army is an anchor in the community, providing many essential services and opportunities to low income East County seniors. The Salvation Army has requested \$600 to fund 200 Thanksgiving meals to area senior citizens. This will provide an opportunity for many seniors, who may not otherwise have a Thanksgiving meal, to socialize and celebrate the holiday over a hot turkey dinner and pumpkin pie.

In June 2003, the Board of Supervisors approved \$89,400 toward a major upgrade of five soccer fields and one baseball field at Rancho Elementary School in Spring Valley. Today's action will allocate \$9,582.17 to the La Mesa-Spring Valley School District for the purchase and installation of a central water pressure pump to irrigate the grass fields at Rancho Elementary School. The maintenance of these fields will provide countless hours of safe recreation for many children living in the Spring Valley/Lemon Grove area.

I urge your support.

Respectfully submitted,

DIANNE JACOB
Chairwoman
